October 2019

As the fall leaves begin to change their colours, our preschool classroom is in full bloom to embrace this beautiful time of year. We cannot wait for our little friends to see the transformation in our classroom. We are excited to explore pumpkins, fire safety and many more activities that come with the fall season. This month we also get to take our very first trip on the Big Yellow School Bus. Our first field trip will be to the fire station. At the end of October we will have a Halloween party, please watch the hallway for volunteer sign-up sheets and treats needed for our Spooktacular Festivities. Communication between home and school is of the utmost importance. Please know that we are always available to answer any questions, or concerns that you may have. Drop us an email or a note in your child's class folder and we can set up a time to chat either at school, on the phone or via email.

Friendly Reminders

- Class Mailboxes (Hanging folder in entrance) is for permission forms, notes to teacher, and scholastic for your convenience.
- Halloween Party out of respect for our school and ages of children, please no ghost, devils, witch or gory costumes.
- please be sure that your child has an extra set of clothes labelled in their backpack.
- remember to have your child visit the bathroom before class starts to help avoid accidents.
- a lunchkit or ziploc bag is very handy—it is difficult for little hands to juggle snacks from backpacks to the classroom to enjoy.

Happy Birthday
