

Bonjour my Friends! Welcome to the month of February as we explore the language of Love. To celebrate Valentine's Day with Chef Yum Yum, the class will create a Friendship Fruit Salad. We will also be learning 'All About Me' this month, and we will make an 'edible' mouth filled with teeth. Kitchen tip Friday will be learning how our 5 senses help us taste, smell, touch and hear in the kitchen!

Love your teachers & Chef Yum Yum
