

January, 2021

For the month of January, we are 'snow' excited to be celebrating winter and all the fun that comes along with it! We will keep toasty warm inside as we play and learn with all kinds of arctic animals and snowmen! We can't wait for you to see the classroom transformed into a Winter Wonderland for the children to enjoy! We look forward to exploring this beautiful time of year and having 'snow' much fun with all our little friends!

Please be sure to check with your child before you leave home to see if they need to use the washroom. There are often many requests to 'go' only a few minutes into classtime. Thanks for your help!
