October 2020

## Happy BirthDay

Crunching crinkling autumn leaves - spiraling swirling in the breeze...

October will be full of smiling scarecrows and spinning spider webs. At the end of October we will get all dressed up for our Happy Halloween party... we have so many SPOOK-tacular things planned!

We are having such a fantastic time getting to know you all and cannot wait to start a new month! If you have any questions or concerns we are always available.

Hugs,  
Miss Kelli, Miss Ericka, & Miss Sulina

## COVID FORMS

Friendly reminder that these need to be completed EVERY school day. Please hand directly to the teacher at drop-off... we are working hard to make a transition to a paperless method 'soon.'

- 
- Halloween Party out of respect for our school and ages of children, please no ghost, devils, witch or gory costumes.
  - please be sure that your child has an extra set of clothes labelled in their backpack.
  - remember to have your child visit the bathroom before class starts to help avoid accidents.
  - a lunchkit or ziploc bag is very handy-it is difficult for little hands to juggle snacks from backpacks to the classroom to enjoy.
