

# Pre-K Newsletter

May 2019

For the month of May, we will be taking a closer look into our outside world, and exploring insects, plants, and new growth. Growing our own plants from seeds, learning what they need to grow and how to take care of them will be explored. As well, we are excited to be raising butterflies in our classroom, and we will learn all about the butterfly's life cycle. We are also looking forward to spending time in the forest and playground, enjoying the spring weather!

Lots of hugs!  
Miss Nat & Miss Kendal

## Celebration of Learning

Wednesday, May 22

Join us as we celebrate your child's year of learning! Sign up sheet will be available near the Pre-K sign in table at the beginning of May. Parent & Child visits are approximately 20 minutes, during this time there are various centers to share with your child and an opportunity to meet with the Pre-K teachers. (this is not mandatory)

We look forward to celebrating 'YOU' at our

## Mother's Day Celebration

*NO siblings please - this is a special one-on-one time for you and your child.*

*Children will have regular class times these days and our special visitors (mom or grandma or a special lady in your child's life = 1 guest/child) are invited to join us.*
