

January 2020

For the month of January, we are 'snow' excited to be celebrating winter and all the fun that comes along with it! We will keep toasty warm inside as we play and learn with all kinds of arctic animals and snowmen! We are looking forward to transforming the classroom into a Winter Wonderland for both parents and children to enjoy! To embrace this month even more, we have planned a trip to the TransAlta Tri Leisure center to try our skating skills together at a skating party! We look forward to exploring this beautiful time of year and having 'snow' much fun with all our little friends!

2020/2021 REGISTRATION: We will be hosting our annual registration sessions for the community/future parents. The session is an introduction to the program and meet the teacher event where families have the opportunity to make an educated decision about their Preschool/Pre-K experience for their child(ren). If your family is planning on returning to Two by Two Me & You for the next school year, it is NOT necessary to attend. However, we are giving current families/friends priority to enroll. Please be sure to fill out a registration form and return it on or before Friday January 24th to confirm your space and your class preference. The registration form will be located in your child's Christmas package (Dec 19). We have already received numerous inquiries for next year so please be sure to register early to avoid disappointment. We look forward to meeting our new and old families for the 2020/2021 school year!

There are no
birthdays for the
month of January

Please be sure to check with your child before the start of class to see if they need to use the washroom. There are often many requests to 'go' only a few minutes into classtime. Thanks for your help!
