

Prek Newsletter

What a great year we have had! We can confidently say we are all ready for Kindergarten! It has truly been a blessing to watch your child grow, learn and discover the incredible world around us. We have been so proud to be their teachers! During the month of June, we will learn about Community Helpers and discuss what we want to be 'when we grow up'... We will conclude our year with our Graduation and saying farewell. You have all worked so hard in preparing for Kindergarten! Together, let's enjoy this last month with fun and learning.

Big Hugs,
Miss Kelli, Miss Ericka, Miss Sulina, and Miss Stephanie

we will have a
birthday party to
celebrate those Two
by Two Me & You
friends who
have summer
birthdays.
Birthday treats will
be supplied Two By
Two Me & You
this day!

We've missed out on our show-and-share experience this year but wanted to be creative and still allow the children to 'showcase' something from home. Please message one photo to the remind app (reply to a previous message). We will randomly choose children each school day this month and they will share the photo (we will print it). This is such a fun learning experience as we ask questions to learn more about what they share/is important to them. Please be sure photos are sent in on or before June 1st to be sure your child doesn't miss out. ONE photo only please.
