

PREK NEWSLETTER

Wow, another month has come and gone! We have begun our Jolly Phonics, learning the first set of sounds and we must say we are VERY impressed with everyone's hard work! November brings a new unit of Dino-mite fun with Dinosaurs. As we travel back in time, we will discover the wonder world of dinosaurs! We will be learning all about many kinds of dinosaurs, what they ate, how they lived, and the fossils created by their bodies. We look forward to exploring with all our junior paleontologists!

Hugs,
Miss Ericka, Miss Sulina, Miss Kelli, Miss Stephanie, and Miss Tegan
